

Finding a vision provider in our network is easy.

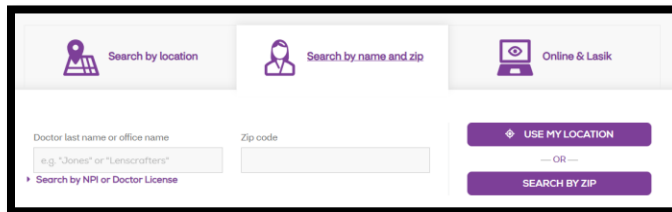

With Aetna VisionSM Preferred, you can see any vision provider you want, but if you stay in the network, your out-of-pocket costs may be lower.

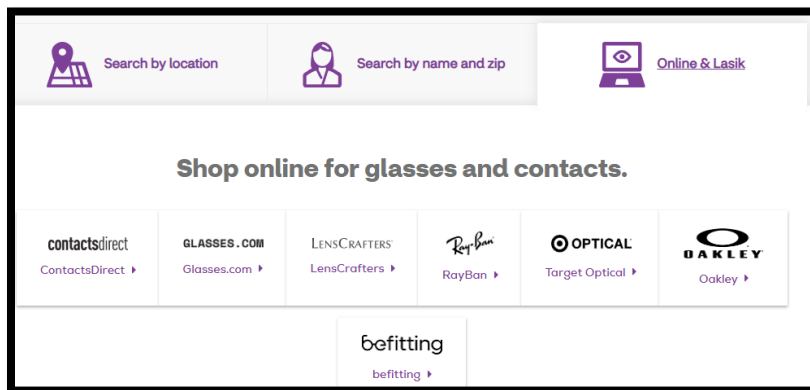

Scan the QR code or visit [AetnaVision.com](https://www.aetnavision.com) to find a network provider for your routine vision care.

1. **Search by location** – click on “use my location” or enter your zip code.

2. **Search by name and zip** – enter last name of provider and zip code.

3. **Shop online** – These online providers are in-network. Click on the link to be directed to the site and then register, sync your insurance, shop and your benefits will be applied automatically.
